PART II - SHARE CAPITAL, UMBRELLA FUND AND RIGHTS

2. Share Capital

- (a) The authorised share capital of the Company is 1,000,000,000,000 shares of no par value initially designated as unclassified shares of no par value. The minimum issued share capital of the Company is 2 shares of no par value. The maximum issued share capital of the Company is 1,000,000,000,000 unclassified shares of no par value.

3. Umbrella Fund

The Company is an "umbrella fund" comprising separate portfolios of assets and liabilities attributable thereto referred to herein as Fund(s), as further described in Clause 9 of Appendix II by reference to which shares are issued, with segregated liability between its Funds and accordingly any liability incurred on behalf of or attributable to any Fund shall be discharged out of the assets of that Fund.

4. Issue of shares

- (a) Shares may only be issued as fully paid and shall have no par value.
- (b) Subject as hereinafter provided and except as otherwise agreed by the Directors, the Company may on receipt by it (or its authorised agent) from an applicant for shares in a Fund or class up to such time as may from time to time be specified by the Directors of: (i) an application for shares in the relevant Fund or class in such form as the Directors may from time to time determine; (ii) such information or documentation as to the applicant's status, identity, residence, source of funds and otherwise as the Directors may from time to time require; and (iii) payment for shares in such manner and within such reasonable time as shall be specified in the Prospectus from time to time; issue shares in any Fund or class either (a) during the Initial Offer Period at the Initial Offer Price; or (b) on any Dealing Day at the Subscription Price. Share classes may only be launched at a fixed price after the Initial Offer Period where it has been confirmed to the Central Bank that existing Holders in the Fund are not prejudiced.
- (c) The amount of the paid up share capital of the Company shall at all times be equal to the Net Asset Value of the Company.
- (d) The Directors may from time to time issue fractions of shares. Notwithstanding anything contained in the Articles the holder of a fraction of a share may not exercise any voting rights in respect of such share.
- (e) The Directors may issue any of the unclassified shares as participating shares in a Fund with such rights or restrictions as the Directors may determine. The Directors may issue more than one class of shares which participate in a Fund. The provisions contained in Clauses 2 to 8 of Appendix II shall govern the terms and conditions relating to the issue of shares.
- (f) The Directors, on the allotment and issue of any shares, may impose restrictions on the transferability or disposal of the shares as may be considered by the Directors to be in the best interests of the Holders as a whole.

- (g) The Directors may in their absolute discretion refuse to accept any application for shares in the Company or accept any application in whole or in part.
- (h) The Directors are generally and unconditionally authorised to exercise all powers of the Company to allot relevant securities, including fractions thereof, (as defined for the purposes of Section 1021 of the Companies Act) up to an amount equal to the authorised but as yet unissued share capital of the Company.

5. Variation of rights

- (a) Whenever the share capital is divided into different classes of shares, the rights attached to any class may be varied or abrogated with the consent in writing of the Holders of three-fourths in number of the issued shares of that class, or with the sanction of a special resolution passed at a separate general meeting of the Holders of the shares of the class, and may be so varied or abrogated either whilst the Company is a going concern or during or in contemplation of a winding-up but such consent or sanction will not be required in the case of a variation, amendment or abrogation of the rights attached to any shares of any class if, in the view of the Directors or their delegate, such variation, amendment or abrogation does not materially prejudice the interests of the relevant Holders or any of them. Any such variation, amendment or abrogation will be set out in a supplement to (or re-statement of) the Prospectus or the relevant supplement originally issued in connection with the relevant shares, a copy of which will be sent to the relevant Holders entered on the Register on the date of issue of such document and will be binding on the relevant Holders. The quorum at any such separate general meeting, other than an adjourned meeting, shall be two persons holding or representing by proxy at least one-third of the issued shares of the class in question and the quorum at an adjourned meeting shall be one person holding shares of the class in question or his proxy.
- (b) The rights conferred upon the Holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by these Articles or the terms of the issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith or subordinate thereto.

6. Trusts not recognised

Except as required by law, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or (except only as by these Articles or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the Holder. This shall not preclude the Company from requiring the Holders or a transferee of shares to furnish the Company with information as to the beneficial ownership of any share when such information is reasonably required by the Company.

7. Disclosure of interests

- (a) Notwithstanding the provisions of the immediately preceding Article, the Directors, at any time and from time to time if, in their absolute discretion, they consider it to be in the interests of the Company to do so, may give a notice to the Holder or Holders of any share (or any of them) requiring such Holder or Holders to notify the Company in writing within such period as may be specified in such notice (which shall not be less than twenty-eight days from the date of service of such notice) of full and accurate particulars of all or any of the following matters, namely:-

- (i) his interest in such share;
 - (ii) if his interest in the share does not consist of the entire beneficial interest in it, the interests of all persons having any beneficial interest in the share (provided that one joint Holder of a share shall not be obliged to give particulars of interests of persons in the share which arise only through another joint Holder); and
 - (iii) any arrangement (whether legally binding or not) entered into by him or any person having any beneficial interest in the share whereby it has been agreed or undertaken or the Holder of such share can be required to transfer the share or any interest therein to any person (other than a joint Holder of the share) or to act in relation to any meeting of the Company or of any class of shares of the Company in a particular way or in accordance with the wishes or directions of any other person (other than a person who is a joint Holder of such share).
- (b) If, pursuant to any notice given under paragraph (a), the person stated to own any beneficial interest in a share or the person in favour of whom any Holder (or other person having any beneficial interest in the share) has entered into any arrangements referred to in sub-paragraph (a)(iii), is a body corporate, trust, society or any other legal entity or association of individuals and/or entities, the Directors, at any time and from time to time if, in their absolute discretion, they consider it to be in the best interests of the Company to do so, may give a notice to the Holder or Holders of such share (or any of them) requiring such Holder or Holders to notify the Company in writing within such period as may be specified in such notice (which shall not be less than twenty-eight days from the date of service of such notice) of full and accurate particulars of the name and addresses of the individuals who control (whether directly or indirectly and through any number of vehicles, entities or arrangements) the beneficial ownership of all the shares, interests, units or other measure of ownership of such body corporate, trust, society or other entity or association wherever the same shall be incorporated, registered or domiciled or wherever such individuals shall reside provided that if at any stage of such chain of ownership the beneficial interest in any share shall be established to the satisfaction of the Directors to be in the ownership of any body corporate any of whose share capital is listed or dealt in on any bona fide stock exchange, unlisted securities market or over-the-counter securities market, it shall not be necessary to disclose details of the individuals ultimately controlling the beneficial interests in the shares of such body corporate.
- (c) The Directors or their delegate, if they think fit, may give notices under paragraphs (a) and (b) at the same time on the basis that the notice given pursuant to paragraph (b) shall be contingent upon disclosure of certain facts pursuant to a notice given pursuant to paragraph (a).
- (d) The Directors or their delegate may require (before or after the receipt of any written particulars under this Article) any such particulars to be verified by statutory declaration.
- (e) The Directors or their delegate may serve any notice pursuant to the terms of this Article irrespective of whether or not the Holder on whom it shall be served may be dead, bankrupt, insolvent or otherwise incapacitated and no such incapacity or any unavailability of information or inconvenience or hardship in obtaining the same shall be a satisfactory reason for failure to comply with any such notice provided that if the Directors in their absolute discretion think fit, they may waive compliance in whole or in part with any notice given under this Article in respect of a share in any case of bona fide unavailability of information or genuine hardship or where they otherwise think fit but no such waiver shall prejudice or affect in any way any non-compliance

not so waived whether by the Holder concerned or any other joint Holder of the share or by any person to whom a notice may be given at any time.

- (f) For the purpose of establishing whether or not the terms of any notice served under this Article shall have been complied with the decision of the Directors or their delegate in this regard shall be final and conclusive and shall bind all persons interested.

PART IV - SHARE CERTIFICATES

11. Confirmations of ownership

- (a) Share certificates will not be issued by, or on behalf of, the Company. - (b) If a confirmation of ownership shall be damaged or defaced or alleged to have been lost, stolen or destroyed, a new confirmation of ownership representing the same shares may be issued to the Holder upon request subject to delivery up of the old confirmation of ownership or (if alleged to have been lost, stolen or destroyed) on compliance with such conditions as to evidence and indemnity and the payment of exceptional out-of-pocket expenses of the Company in connection with the request as the Directors or their delegate may think fit.

- (g) Where two or more persons are registered as the holders of any shares they shall be deemed to hold the same as joint tenants, subject to the provisions following:-
- (i) the joint holders of any shares shall be liable, severally, as well as jointly, in respect of all payments which ought to be made in respect of such shares;

PART V - TRANSFER OF SHARES

13. Form of instrument of transfer

Subject to such of the restrictions of these Articles and to such of the conditions of issue as may be applicable, the shares of any Holder may be transferred by instrument in writing in any usual or common form or any other form which the Directors may approve.

14. Execution of instrument of transfer

15. Payment of taxation upon transfer

The Directors or their delegate may repurchase and cancel a sufficient portion of the transferor's shares to discharge any taxation payable to the Revenue Commissioners in Ireland in respect of a transfer of shares by a Holder who is or is deemed to be an Irish Resident or acting on behalf of such a person.

 - (ii) any transfer of a share to a person who is not a Permitted Investor;
 - (iii) any transfer to or by a minor or person of unsound mind;
 - (iv) any transfer unless the transferee of such shares would following such transfer be the holder of shares with a value at the then current Subscription Price equal to or greater than the Minimum Initial Investment Amount;
 - (v) any transfer in circumstances where as a result of such transfer the transferor or transferee would hold less than the Minimum Shareholding;
 - (vi) any transfer in regard to which any payment of taxation remains outstanding;
 - (vii) any transfer of a share where the transfer would result in a contravention of any provision of these Articles or would produce a result inconsistent with any provision of the Prospectus (including, without limitation, the failure to provide such documentation as may be required by the Company to satisfy

the Company as to the identity and verification of beneficial ownership of any proposed transferee in accordance with anti-money laundering and prevention of terrorism law applicable in the State and the failure to provide any declarations including declarations as to appropriate tax status of the transferee); and

(viii) where the transfer would result in a contravention of any provision of any law (including any law that is for the time being in force in a country or territory other than the State).

(b) The Directors or their delegate may decline to recognise any instrument of transfer unless:-

(i) the instrument of transfer is accompanied by the certificate for the shares to which it relates (if issued) and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer (save where the transferor is a Stock Exchange Nominee);

(ii) the instrument of transfer is in respect of one class of share only;

(iii) the instrument of transfer is in favour of not more than four transferees; and

(iv) the instrument of transfer is lodged at the Office or at such other place as the Directors or their delegate may appoint.

17. **Procedure on refusal**

If the Directors or their delegate refuse to register a transfer then, within two months after the date on which the transfer was lodged with the Company, they or their delegate shall send to the transferee notice of the refusal.

A fee may be charged for the registration of any instrument of transfer or other document relating to or affecting the title to any share.

20. **Retention of transfer instruments**

The Company shall be entitled to retain any instrument of transfer which is registered, but any instrument of transfer which the Directors or their delegate refuse to register shall be returned to the person lodging it when notice of the refusal is given.

21. **Renunciation of allotment**

Nothing in these Articles shall preclude the Directors or their delegate from recognising a renunciation of the allotment of any shares by the allottee in favour of some other person provided such other person is a Permitted Investor.

22. **Compulsory transfer of shares**

The Directors or their delegate shall have the power to arrange for the compulsory transfer of shares acquired by or on behalf of a person who is not a Permitted Investor in accordance with the provisions set out in Clause 20 of Appendix II.

PART VI - TRANSMISSION OF SHARES

23. **Death of Holder**

If a Holder dies the survivor or survivors where he was a joint Holder, and his personal representatives where he was a sole Holder or the only survivor of joint Holders, shall be the only persons recognised by the Company as having any title to his interest in the shares; but nothing herein contained shall release the estate of a deceased Holder from any liability in respect of any share which had been jointly held by him.

24. **Transmission on death or bankruptcy/minors**

Any guardian of an infant Holder and any curator or other legal representative of a Holder under legal disability and any person entitled to a share in consequence of the death or bankruptcy of a Holder may elect, upon such evidence being produced as the Directors or their delegate may properly require, either to become the Holder of the share or to make such transfer thereof as the deceased or bankrupt Holder or Holder under a disability could have made. If he elects to become the Holder he shall give notice to the Company to that effect. If he elects to have another person registered he shall execute an instrument of transfer of the share to that person. All of these Articles relating to the transfer of shares shall apply to the notice or instrument of transfer as if it were an instrument of transfer executed by the Holder and the death or bankruptcy or disability of the Holder had not occurred.

25. **Rights before registration**

A person becoming entitled to a share by reason of the death or bankruptcy of a Holder (upon supplying to the Company such evidence as the Directors or their delegate may reasonably require to show his title to the share) shall have the rights to which he would be entitled if he were the holder of the share, except that, before being registered as the Holder of the share, he shall not be entitled in respect of it to attend or vote at any meeting of the Company or at any separate meeting of the Holders of any class of shares in the Company, so, however, that the Directors or their delegate, at any time, may give notice requiring any such person to elect either to be registered himself or to transfer the share and, if the notice is not complied with within ninety days, the Directors or their delegate thereupon may withhold payment of all dividends, bonuses or other moneys payable in respect of the share until the requirements of the notice have been complied with.

PART VII - ALTERATION OF SHARE CAPITAL

26. **Increase of capital**

- (a) The Company from time to time by ordinary resolution may increase the share capital by such amount and/or number as the resolution shall prescribe.
- (b) Subject to the provisions of the Companies Act and these Articles, the new shares shall be issued to such persons, upon such terms and conditions and with such rights and privileges annexed thereto as the Directors or their delegate shall determine.

27. **Consolidation, sub-division and cancellation of capital**

The Company, by ordinary resolution, may:-

- (a) consolidate and divide all or any of its share capital into shares of larger amount;
- (b) subject to the provisions of the Companies Act, subdivide its shares, or any of them, into shares of smaller amount or value, (and so that the resolution whereby any share is sub-divided may determine that, as between the Holders of the shares resulting

from such sub-division, one or more of the shares may have, as compared with the others, any such preferred, deferred or other rights or be subject to any such restrictions as the Company has power to attach to unissued or new shares);

- (c) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and reduce the amount of its authorised share capital by the amount of the shares so cancelled; or
- (d) redenominate the currency of any class of shares.

PART VIII - GENERAL MEETINGS

28. Annual general meetings

The Company shall hold in each year a general meeting as its annual general meeting in addition to any other meeting in that year and shall specify the meeting as such in the notice calling it. Not more than fifteen months shall elapse between the date of one annual general meeting and that of the next PROVIDED THAT so long as the Company holds its first annual general meeting within eighteen months of its incorporation it need not hold it in the year of its incorporation or in the following year. Subsequent annual general meetings shall be held once in each year.

29. Extraordinary general meetings

All general meetings other than annual general meetings shall be called extraordinary general meetings.

30. Convening general meetings

The Directors may convene general meetings. Extraordinary general meetings may also be convened on such requisition, or in default may be convened by such requisitionists, and in such manner as may be provided by the Companies Act. If at any time there are not within the State sufficient Directors capable of acting to form a quorum, any Director or any two Holders may convene an extraordinary general meeting in the same manner as nearly as possible as that in which general meetings may be convened by the Directors or their delegate.

31. Notice of general meetings

- (a) Subject to the provisions of the Companies Act allowing a general meeting to be called by shorter notice, an annual general meeting and an extraordinary general meeting called for the passing of a special resolution shall be called by at least twenty-one Clear Days' notice and all other extraordinary general meetings shall be called by at least fourteen Clear Days' notice.
- (b) Any notice convening a general meeting shall specify the time and place of the meeting and, in the case of special business, the general nature of that business and, in reasonable prominence, that a Holder entitled to attend and vote is entitled to appoint a proxy to attend, speak and vote in his place and that a proxy need not be a Holder. Subject to any restrictions imposed on any shares, the notice shall be given to all the Holders and to the Directors or their delegate and the Auditors.
- (c) The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at the meeting.

- (d) Where, by any provision contained in the Companies Act, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors or their delegate have resolved to submit it) unless notice of the intention to move it has been given to the Company not less than twenty-eight days (or such shorter period as the Companies Act permit) before the meeting at which it is moved, and the Company shall give to the Holders notice of any such resolution as required by and in accordance with the provisions of the Companies Act.

PART IX - PROCEEDINGS AT GENERAL MEETINGS

32. Quorum for general meetings

- (a) No business other than the appointment of a chairman shall be transacted at any general meeting unless a quorum of Holders or holders of Subscriber Shares is present at the time when the meeting proceeds to business. Except as provided in relation to an adjourned meeting, two persons entitled to vote upon the business to be transacted, each being a Holder or a holder of Subscriber Shares or a proxy for such holders or a duly authorised representative of a corporate holder, shall be a quorum.
- (b) If such a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place, or to such other time and place as the Directors may determine. If at the adjourned meeting such a quorum is not present within half an hour from the time appointed for the meeting, the meeting, if convened otherwise than by resolution of the Directors, shall be dissolved, but if the meeting shall have been convened by resolution of the Directors, one person entitled to be counted in a quorum present at the meeting shall be a quorum.

33. Special business

All business shall be deemed special that is transacted at an extraordinary general meeting. All business that is transacted at an annual general meeting shall also be deemed special, with the exception of declaring a dividend, the consideration of the accounts, balance sheets and reports of the Directors or their delegate and Auditors, the re-appointment of the retiring Auditors and the fixing of the remuneration of the Auditors.

34. Chairman of general meetings

- (a) The chairman of the board of Directors or, in his absence, the deputy chairman (if any) or, in his absence, some other Director nominated by the Directors shall preside as chairman at every general meeting of the Company. If at any general meeting none of such persons shall be present within fifteen minutes after the time appointed for the holding of the meeting and willing to act, the Directors present shall elect one of their number to be chairman of the meeting and, if there is only one Director present and willing to act, he shall be chairman.
- (b) If at any meeting no Director is willing to act as chairman or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the Holders present (in person or by proxy or by representative) and entitled to vote shall choose one of the Holders (including his proxy or its duly authorised representative) personally present to be chairman of the meeting.

35. Directors' and Auditors' right to attend general meetings

A Director shall be entitled, notwithstanding that he is not a Holder, to attend and speak at any general meeting and at any separate meeting of the Holders of any class of shares in the

Company. The Auditors shall be entitled to attend any general meeting and to be heard on any part of the business of the meeting which concerns them as the Auditors.

36. Adjournment of general meetings

The chairman, with the consent of a meeting at which a quorum is present, may (and if so directed by the meeting, shall) adjourn the meeting from time to time (or sine die) and from place to place, but no business shall be transacted at any adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place. Where a meeting is adjourned sine die, the time and place for the adjourned meeting shall be fixed by the Directors or their delegate. When a meeting is adjourned for fourteen days or more or sine die, at least seven Clear Days' notice shall be given specifying the time and meeting and the general nature of the business to be transacted. Save as aforesaid it shall not be necessary to give any notice of an adjourned meeting.

37. Determination of resolutions

At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands a poll is duly demanded. Unless a poll is so demanded a declaration by the chairman that a resolution has been carried or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution. The demand for a poll may be withdrawn before the poll is taken but only with the consent of the chairman, and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

38. Entitlement to demand poll

Subject to the provisions of the Companies Act, a poll may be demanded:-

- (a) by the chairman of the meeting;
- (b) by at least two Holders present (in person or by proxy) having the right to vote at the meeting; or
- (c) by any Holder or Holders present (in person or by proxy) representing not less than one-tenth of the total voting rights of all the Holders having the right to vote at the meeting.

39. Taking of a poll

- (a) Save as provided in paragraph (b) of this Article, a poll shall be taken in such manner as the chairman directs and he may appoint scrutineers (who need not be Holders) and fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- (b) A poll demanded on the election of a chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time (not being more than thirty days after the poll is demanded) and place as the chairman of the meeting may direct. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
- (c) No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case

at least seven Clear Days' notice shall be given specifying the time and place at which the poll is to be taken.

40. **Votes of Holders**

- (a) Votes may be given either personally or by proxy. Subject to any rights or restrictions for the time being attached to any class or classes of shares:-
- (i) on a show of hands every Holder, who is present in person or by proxy, shall have one vote and the Holder(s) of Subscriber Shares present in person or by proxy shall have one vote in respect of all the Subscriber Shares in issue;
 - (ii) on a poll every Holder present in person or by proxy shall have one vote for every share of which he is the Holder and every holder of a Subscriber Share present in person or by proxy shall have one vote in respect of his holding of Subscriber Shares;
 - (iii) on a poll of all the Holders of shares in a Fund, where there is more than one class of shares in existence in that Fund, the voting rights of such Holders may at the discretion of the Directors or their delegate be adjusted in such manner, determined by the Directors or their delegate, so as to reflect the most recently calculated price at which the shares of each of the classes in question may be repurchased by the Company;
 - (iv) a Holder or Holders who hold a fraction of a share may not exercise any voting rights, whether on a show of hands or on a poll, in respect of such fraction of a share.

41. **Written Resolutions**

A resolution in writing executed, whether in manuscript or electronically, in accordance with applicable law by or on behalf of each Holders who would have been entitled to vote on it if it had been proposed at a meeting at which he was present shall be as effectual as if it had been passed at a general meeting duly convened and held and, in the case of a resolution in writing, may consist of several instruments in the like form, each executed by or on behalf of one or more Holders. In the case of a corporation, a resolution in writing may be signed or executed electronically in accordance with applicable law on its behalf by a director or the secretary thereof or by its duly appointed attorney or duly authorised representative.

42. **Chairman's casting vote**

Where there is an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a casting vote in addition to any other vote he may have.

43. **Voting by joint Holders**

Where there are joint Holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, in respect of such share shall be accepted to the exclusion of the votes of the other joint Holders and for this purpose seniority shall be determined by the order in which the names of the Holders stand in the Register in respect of the share.

44. **Voting by incapacitated Holders**

A member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction (whether in the State or elsewhere) in matters concerning mental disorder, may vote, whether on a show of hands or on a poll, by his committee, receiver, guardian or other person appointed by that court and any such committee, receiver, guardian or other person may vote by proxy on a show of hands or on a poll. Evidence to the satisfaction of the Directors or their delegate of the authority of the person claiming to exercise the right to vote

shall be deposited at the Office or at such other place as is specified in accordance with these Articles for the deposit of instruments of proxy by such time as the Directors or their delegate may determine before the time appointed for holding the meeting or adjourned meeting at which the right to vote is to be exercised and in default the right to vote shall not be exercisable.

45. **Restriction of voting rights**

- (a) If at any time the Directors or their delegate shall determine that a Specified Event (as defined in paragraph (e) of this Article) shall have occurred in relation to any share or shares the Directors or their delegate may serve a notice to such effect on the Holder or Holders thereof. Upon the service of any such notice (in these Articles referred to as a "**restriction notice**") no Holder or Holders of the share or shares specified in such restriction notice shall be entitled, for so long as such restriction notice shall remain in force, to attend or vote at any general meeting, either personally or by proxy.
- (b) A restriction notice shall be cancelled by the Directors or their delegate as soon as reasonably practicable, but in any event not later than forty-eight hours, after the Holder or Holders concerned shall have remedied the default by virtue of which the Specified Event shall have occurred. A restriction notice shall automatically cease to have effect in respect of any share transferred upon registration of the relevant transfer provided that a restriction notice shall not cease to have effect in respect of any transfer where no change in the beneficial ownership of the share shall occur and for this purpose it shall be assumed that no such change has occurred where a transfer form in respect of the share is presented for registration having been stamped at a reduced rate of stamp duty by virtue of the transferor or transferee claiming to be entitled to such reduced rate as a result of the transfer being one where no beneficial interest passes.
- (c) The Directors or their delegate shall cause a notation to be made in the Register against the name of any Holder or Holders in respect of whom a restriction notice shall have been served indicating the number of shares specified in such restriction notice and shall cause such notation to be deleted upon cancellation or cesser of such restriction notice.
- (d) Any determination of the Directors or their delegate and any notice served by them pursuant to the provisions of this Article shall be conclusive as against the Holder or Holders of any share and the validity of any notice served by the Directors or their delegate in pursuance of this Article shall not be questioned by any person.
- (e) For the purpose of these Articles the expression "**Specified Event**" in relation to any share shall mean the failure by the Holder thereof or any of the Holders thereof to comply, to the satisfaction of the Directors or their delegate, with all or any of the terms of Article 7 in respect of any notice or notices given to him or any of them thereunder.

46. **Time for objection to voting**

No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is tendered and every vote not disallowed at such meeting shall be valid. Any such objection made in due time shall be referred to the chairman of the meeting whose decision shall be final and conclusive.

47. **Appointment of proxy**

Every Holder entitled to attend and vote at a general meeting may appoint a proxy to attend, speak and vote on his behalf. The instrument appointing a proxy shall be in writing in any

usual form or in any other form which the Directors may approve and shall be executed by or on behalf of the Holder. The signature on such instrument need not be witnessed. A body corporate may execute a form of proxy under its common seal or under the hand of a duly authorised officer thereof. A proxy need not be a Holder.

48. **Bodies corporate acting by representatives at meetings**

Any body corporate which is a Holder may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Company or of any class of Holders of the Company and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Holder.

49. **Deposit of proxy instruments**

The instrument appointing a proxy and any authority under which it is executed or a copy, certified notarially or in some other way approved by the Directors or their delegate, shall be deposited at the Office (including any number or address used for the purpose of communication by way of electronic mail or other Electronic Communication) or (at the option of the Holder) at such other place or places (if any) as may be specified for that purpose in or by way of note to the notice convening the meeting or adjourned meeting at such time as may be determined by the Directors or their delegate before the time appointed for the holding of the meeting or adjourned meeting or (in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting) for the taking of the poll at which it is to be used, and in default shall not be treated as valid. Provided that an instrument of proxy relating to more than one meeting (including any adjournment thereof) having once been so delivered for the purposes of any meeting shall not require to be delivered again for the purposes of any subsequent meeting to which it relates.

50. **Electronic Proxy**

Notwithstanding anything contained in these Articles, in relation to any shares, the Directors may from time to time permit appointments of proxies to be made by electronic means (including without limitation by means of Electronic Communication generated and sent by Holders to the Company or its agent via a website for this purpose using identification numbers communicated by or on behalf of the Company to each Holder) in such manner or form and subject to such terms, conditions or restrictions as the Directors may, subject to and in accordance with the Companies Act, determine or approve from time to time in their absolute discretion. Subject as aforesaid, the Company and its Directors, Secretary or officers shall not be compelled to accept or receive any instrument appointing a proxy in accordance with this Article until such time as the Directors shall have advised (pursuant to any terms and conditions of Electronic Communication or otherwise) the Holder in writing of the manner, form and restrictions (if any) by which such appointment may be made. The Directors may prescribe the method of determining the time at which any such appointment of a proxy is to be treated as received by the Company. The Directors may treat any such appointment which purports to be or is expressed to be sent on behalf of a Holder as sufficient evidence of the authority of the person sending that instruction to send it on behalf of that Holder.

51. **Effect of proxy instruments**

Deposit of an instrument of proxy in respect of a meeting or adjourned meeting shall not preclude a Holder from attending and voting at the meeting or at any adjournment thereof. The instrument appointing a proxy shall be valid, unless the contrary is stated therein, as well for any adjournment of the meeting as for the meeting to which it relates.

52. **Effect of revocation of proxy or of authorisation**

- (a) A vote given or poll demanded in accordance with the terms of an instrument of proxy or a resolution authorising a representative to act on behalf of a body corporate shall be valid notwithstanding the death or insanity of the principal, or the revocation of the instrument of proxy or of the authority under which the instrument of proxy was executed or of the resolution authorising the representative to act or transfer of the share in respect of which the instrument of proxy or the authorisation of the representative to act was given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the Company at the Office at least one hour before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used or at which the representative acts.
- (b) The Directors or their delegate may send, at the expense of the Company, by post or otherwise, to the Holders instruments of proxy (with or without stamped envelopes for their return) for use at any general meeting or at any class meeting, either in blank or nominating any one or more of the Directors or their delegate or any other persons in the alternative. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the Company, such invitations shall be issued to all (and not to some only) of the Holders entitled to be sent a notice of the meeting and to vote thereat by proxy.

53. Class Meetings

Save as otherwise provided in these Articles, the provisions of Articles 32 to 53 shall apply mutatis mutandis to class meetings and meetings of Holders of shares in a Fund as they apply to general meetings.

PART X - DIRECTORS

54. Number and residence of Directors

Unless otherwise determined by the Company in general meeting the number of Directors shall not be less than two, and a majority of Directors shall not be resident in the United Kingdom.

55. Share qualification

A Director shall not be required to hold any shares in the Company.

56. Ordinary remuneration of Directors

Unless otherwise determined from time to time by the Company in general meeting, the ordinary remuneration of each Director shall be determined from time to time by resolution of the Directors.

57. Special remuneration of Directors

Any Director who is appointed as an executive director (including for this purpose the office of chairman or deputy chairman) or who serves on any committee, or who otherwise performs services which in the opinion of the Directors are outside the scope of the ordinary duties of a Director, may be paid such extra remuneration by way of fees, commission or otherwise as the Directors may determine.

58. Expenses of Directors

- (e) Every legal personal representative, committee, receiver, curator bonis or other legal curator, assignee in bankruptcy or liquidator of a Holder shall be bound by a notice given as aforesaid if sent to the last registered address of such Holder, notwithstanding that the Company may have notice of the death, lunacy, bankruptcy, liquidation or disability of such Holder.
- (f) Without prejudice to the provisions of sub-paragraphs (a) (i) and (ii) of this Article, if at any time by reason of the suspension or curtailment of postal services within the State, the Company is unable effectively to convene a general meeting by notice sent through the post, a general meeting may be convened by a notice advertised on the same day in at least one leading national daily newspaper published in the State and such notice shall be deemed to have been duly served on all Holders entitled thereto at noon on the day on which the said advertisement or advertisements shall appear. the post to those Holders whose registered addresses are outside the State (if or to the extent that in the opinion of the Directors it is practical so to do) or are in areas of the State unaffected by such suspension or curtailment of postal services. If at least ninety-six hours prior to the time appointed for the holding of the meeting the posting of notices to Holders has become practical in the opinion of the Directors, the Directors shall send forthwith confirmatory copies of the notice by post to such Holders. The accidental omission to give any such confirmatory copy of a notice of a meeting to, or the non-receipt of any such confirmatory copy by, any person entitled to receive the same shall not invalidate the proceedings at the meeting.

- (g) Notwithstanding anything contained in this Article the Company shall not be obliged to take account of or make any investigations as to the existence of any suspension or curtailment of postal services within or in relation to all or any part of any jurisdiction or other area other than the State.

94. Service of notice on joint Holders

A notice may be given by the Company to the joint Holders of a share by giving the notice to the joint Holder whose name stands first in the Register in respect of the share and notice so given shall be sufficient notice to all the joint Holders.

95. Service of notice on transfer or transmission of shares

- (a) Every person who becomes entitled to a share shall, before his name is entered in the Register in respect of the share, be bound by any notice in respect of that share which has been duly given to a person from whom he derives his title provided that the provisions of this paragraph shall not apply to any notice served under Article 7 unless, under the provisions of Article 7, it is a notice which continues to have effect notwithstanding the registration of a transfer of the shares to which it relates.
- (b) Without prejudice to the provisions of these Articles allowing a meeting to be convened by newspaper advertisement, a notice may be given by the Company to the persons entitled to a share in consequence of the death or bankruptcy of a Holder by sending or delivering it, in any manner authorised by these Articles for the giving of notice to a Holder, addressed to them at the address, if any, supplied by them for that purpose. Until such an address has been supplied, a notice may be given in any manner in which it might have been given if the death or bankruptcy had not occurred.

96. Signature to notices

The signature to any notice to be given by the Company may be written, printed or by Electronic Signature, Advanced Electronic Signature or otherwise approved by the Directors.

97. Deemed receipt of notices

PART XXI - WINDING UP

98. Distribution on winding up

- (a) Subject to the provisions of the Companies Act, if the Company shall be wound up the liquidator shall apply the assets of each Fund in such manner and order as he thinks fit in satisfaction of creditors' claims relating to that Fund.

- (b) The assets available for distribution amongst the Holders shall be applied as follows: first the proportion of the assets in a Fund attributable to each class of share shall be distributed to the Holders of shares in the relevant class in the proportion that the number of shares held by each Holder bears to the total number of shares relating to each such class of shares in issue as at the date of commencement to wind up; secondly, in the payment to the holder(s) of the Subscriber Shares of sums up to the nominal amount paid thereon out of the assets of the Company not attributable to any class of share. In the event that there are insufficient assets to enable such payment in full to be made, no recourse shall be had to the assets of the Company attributable to each class of share; and thirdly, any balance then remaining and not attributable to any of the classes of shares shall be apportioned pro-rata as between the classes of shares based on the Net Asset Value attributable to each class of shares as at the date of commencement to wind up and the amount so apportioned to a class shall be distributed to Holders pro-rata to the number of shares in that class of shares held by them.
- (c) A Fund may be wound up pursuant to Section 37 of the Companies Act and in such event the provisions of Article 99 shall apply mutatis mutandis in respect of that Fund.

99. Distribution in specie

If the Company shall be wound up (whether the liquidation is voluntary, under supervision or by the court) the liquidator may, with the authority of a special resolution of the relevant Holders and any other sanction required by the Companies Act, divide among the Holders of shares of any class or classes within a Fund in specie the whole or any part of the Assets of the Company relating to that Fund, and whether or not the assets shall consist of property of a single kind, and may for such purposes set such value as he deems fair upon any one or more class or classes of property, and may determine how such division shall be carried out as between the Holders or the Holders of different classes of shares in the Fund. The liquidator may, with the like authority, vest any part of the Assets in trustees upon such trusts for the benefit of Holders as the liquidator, with the like authority, shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no Holder shall be compelled to accept any Assets in respect of which there is a liability. A Holder may require the liquidator instead of transferring any asset in specie to him/her, to arrange for a sale of the assets and for payment to the Holder of the net proceeds of same.

No Holder shall be entitled to require discovery of or any information respecting any detail of the Company's trading, or any matter which is or may be in the nature of a trade secret, mystery of trade, or secret process which may relate to the conduct of the business of the Company and which in the opinion of the Directors it would be inexpedient in the interests of the Holders to communicate to the public.

102. Destruction of records

The Company shall be entitled to destroy all instruments of transfer which have been registered at any time after the expiration of six years from the date of registration thereof, all notifications of change of address at any time after the expiration of two years from the date of recording thereof and dividend mandates which have been cancelled or ceased to have effect at any time after the expiration of one year from the date of such cancellation or cessation. It shall be presumed conclusively in favour of the Company that every entry in the Register purporting to have been made on the basis of an instrument of transfer or other document so destroyed was duly and properly made and every instrument duly and properly registered was a valid and effective document duly and properly cancelled and every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company. - (a) the provision aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;

- (c) references herein to the destruction of any document include references to the disposal thereof in any manner.

103. Untraced Holders

 - (ii) at the expiration of the said period of twelve years by advertisement in a national daily newspaper published in the State and in a newspaper circulating in the area in which the address referred to in sub-paragraph (a)

- (i) of this Article is located, the Company has given notice of its intention to sell such share; and
- (iii) during the further period of three months after the date of the advertisement and prior to the exercise of the power of sale the Company has not received any communication from the Holder or person entitled by transmission.
- (b) To give effect to any such sale the Company may appoint any person to execute as transferor an instrument of transfer of such share and such instrument of transfer shall be as effective as if it had been executed by the Holder or the person entitled by the transmission to such share. The transferee shall be entered in the Register as the Holder of the shares comprised in any such transfer and he shall not be bound to see to the application of the purchase moneys nor shall his title to the shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.
- (c) The Company shall account to the relevant Fund or, if the Fund is no longer in existence, to such other person as the Directors may determine for the net proceeds of such sale.

104. Unclaimed Assets

In some circumstances (for example on a Fund termination, a winding up or a compulsory repurchase) the Company may be unable in practice to make a disbursement of assets due to one or more Holders. Notwithstanding anything herein to the contrary, once all reasonable measures to make the disbursement have been taken, the Directors may in their discretion consider that any claims of the Holders in respect of any such assets whether in the form of unclaimed dividends, unpaid repurchase proceeds or otherwise and any obligations of the Company in connection therewith shall be extinguished and any such amounts may be retained by the relevant Fund for the benefit of the other Holders or paid to a charitable foundation to be determined by the Directors. The foregoing may apply subject to a *de minimus* level to be reasonably determined by the Directors in their discretion or without qualification on the basis of the Company seeking to meet its anti-money laundering obligations under Irish law.

105. Indemnity

- (a) Subject to the provisions of and insofar as may be permitted by the Companies Act and the UCITS Requirements, every Director, Secretary and other officer or servant of the Company shall be indemnified by the Company against, and it shall be the duty of the Directors out of the Assets to pay, all costs, losses and expenses which any such officer or servant may incur or become liable to by reason of any contract entered into, or act or thing done by him as such officer or servant or in any way in discharge of his duties, including travelling expenses, and the amount for which such indemnity is provided shall immediately attach as a lien on the property of the Company and have priority as between the Holders over all other claims.
- (b) Subject to the provisions of Section 235 of the Companies Act no Director or other officer of the Company shall be liable for the acts, receipts, neglects or defaults of any other Director or officer or for joining in any receipt or other act for conformity or for any loss or expense happening to the Company through the insufficiency or deficiency of title to any property acquired for or on behalf of the Company or for the insufficiency or deficiency of any security in or upon which any of the monies of the Company shall be invested or for any loss or damage arising from the bankruptcy, insolvency or tortious act of any person with whom any monies, securities or effects shall be deposited or any other loss, damage or misfortune whatever which shall happen in the execution of the duties of his office or in relation thereto.

- (c) In accordance with Section 235(4) of the Companies Act, the Directors shall have the power to purchase and maintain for the benefit of any persons who are or were at any time Directors or officers of the Company insurance against any liability incurred by such persons in respect of any act or omission in the execution or discharge of their duties or in the exercise of their powers, and the Directors shall be entitled to vote and be counted in the quorum in respect of any resolution concerning the purchase of such insurance.

106. Overriding provisions

In the event of there being any conflict between the provisions of these Articles and the Companies Act or the UCITS Requirements, the Companies Act or UCITS Requirements shall prevail. The prior approval of the Central Bank shall be required to any amendment to these Articles.

107. Segregation of Liability

- (a) Notwithstanding any statutory provision or rule of law to the contrary, any liability incurred on behalf of or attributable to any Fund shall be discharged solely out of the assets of that Fund, and no Director, receiver, examiner, liquidator, provisional liquidator or other person shall apply nor be obliged to apply the assets of any such Fund in satisfaction of any liability incurred on behalf of or attributable to any other Fund.
- (b) The assets allocated to a Fund shall be applied solely in respect of the shares of such Fund and no Holder relating to such Fund shall have any claim or right to any asset allocated to any other Fund.
- (c) Any asset or sum recovered by the Company by any means whatsoever or wheresoever shall, after the deduction or payment of any costs of recovery, be applied to the Fund affected. In the event that assets attributable to a Fund are taken in execution of a liability not attributable to that Fund, and in so far as such assets or compensation in respect hereof cannot otherwise be restored to that Fund, the Directors with the consent of the Depositary, shall certify or cause to be certified, the value of the assets lost to the Fund affected and transfer or pay from the assets of the Fund or Funds to which the liability was attributable, in priority to all other claims against such Fund or Funds, assets or sums sufficient to restore to the Fund affected, the value of the assets or sums lost to it.
- (d) The Company may sue and be sued in respect of a particular Fund and may exercise the same rights of set-off, if any, as between its Funds as apply at law in respect of companies and the property of a Fund is subject to orders of the Irish courts as it would have been if the Fund were a separate legal person.
- (e) In any proceedings brought by any Holder of a particular Fund, any liability of the Company to such Holder in respect of such proceeding shall only be settled out of the assets of the Fund corresponding to such shares without recourse in respect of such liability or any allocation of such liability to any other Fund of the Company.
- (f) Nothing in this Article 108 shall prevent the application of any enactment or rule of law that would require the application of the assets of any Fund in discharge of some or all of the liabilities of any other Fund on the grounds of fraud or misrepresentation and, in particular, by reason of the application of sections 139 and 286 of the Companies Act, 2014.

108. Restriction on modifications to Memorandum and Articles

ISSUE OF SHARES

1. Terms and conditions of issue of shares

- (a)
- (i) Prior to the issue of any class of shares the Directors shall determine the rights and restrictions attaching thereto including the Fund to which they relate, the designated currency of the shares and the fees and expenses to be borne by the class of shares (which shall be disclosed in the Prospectus). The Directors may in relation to a Fund create more than one class of shares to participate in the Fund in accordance with the requirements of the Central Bank. The Directors may create more than one class of shares to participate in a Fund which may be denominated by the Directors in the same or different currencies. Where a class of shares is denominated in a currency other than the base currency of the relevant Fund the Directors shall at the time of creation of such class determine if such class of shares shall be constituted as a Hedged Currency Share Class or an Unhedged Currency Share Class. Notwithstanding anything contained in these Articles, the costs and gains/losses of any hedging transactions relating to a Hedged Currency Share Class shall accrue solely to the Holders of shares in such class and shall not form part of the assets of the relevant Fund or constitute a liability of the relevant Fund. Any currency hedging transaction relating to a Hedged Currency Share Class shall be valued in accordance with the provisions of Clause 28(i) or (j) and shall be clearly attributable to the specific Hedged Currency Share Class. None of the Hedged Currency Share Classes shall be leveraged as a result of such currency hedging transactions.
- (ii) The names of the current Funds are set out listed in the global supplement to the Prospectus, which may be amended or supplemented from time to time. The name of each Fund may be amended by the Directors and any such change of name shall not require the approval of the Holders in the relevant Fund and shall be in accordance with the requirements of the Central Bank. Additional Funds may be established subject to the prior approval of the Central Bank;
- (b) The Directors or their delegate may issue voting shares and non-voting shares. The non-voting shares carry no right to notice of, attend or vote at general meetings of the Company or any Fund. In accordance with the requirements of the Central Bank, the decision to subscribe for any class of shares in respect of which voting rights are restricted shall be made solely by the investor and any shareholder of non-voting shares shall have the right to switch their holding to voting shares (in accordance with item 9 of Appendix II) without including any fee of change in respect of such exchange.
- (c) Subject as hereinafter provided and subject to any regulations made or conditions imposed by the Central Bank pursuant to the UCITS Requirements, the initial issue of shares by the Company shall be subject to the receipt by the Company or its authorised agents of:-
- (i) an application in such form as the Directors may from time to time determine;
- (ii) such information and declarations as the Directors may from time to time require; and

- (iii) subsequent subscriptions may be made by telephone or such other means as may be specified in accordance with the procedure set out in the Prospectus.
- (d) Payment for shares shall be made by the Settlement Date in such currency and at such time, place and manner and to such person, on behalf of the Company, as may be disclosed in the Prospectus or otherwise determined by the Directors and notified to investors.
- (e) The Company may (at the option of the Directors) satisfy any application for the allotment of shares by procuring the transfer to the applicant of fully-paid shares, the effective date of such transfer to be the relevant Dealing Day. In any such case, references in these Articles to allotting shares shall, where appropriate, be taken as references to procuring the transfer of shares.
- (f) The allotment of shares may take place notwithstanding that the information or declarations referred to in sub-paragraph (b)(ii) above have not been received by the Company or its authorised agent provided that the application referred to in sub-paragraph (b)(i) above has been received and provided further that if the said information or declarations have not been received within one Month (or such other period as the Directors may determine) after the Dealing Day on which such shares are allotted, the Directors shall be entitled to cancel the allotment and if so cancelled the relevant application monies (if any) shall be returnable to the applicant at his risk (together with such additional amount, if any, or after deducting such amount, if any, as the Directors may in their absolute discretion think fit, any such amount so deducted being retained by the Company for its own benefit) and until returned may be made use of by the Company for its own benefit.
- (g) If payment in full for any shares is not received by the relevant Settlement Date, or in the event of non-clearance of funds, the Directors shall be entitled to cancel any allotment made and either return the relevant monies to the applicant at his risk or to treat the relevant monies as payment in respect of an application for shares made by the Dealing Deadline for the Dealing Day next following receipt of such monies or of cleared funds. In such cases the Company may charge the applicant for any resulting bank charges or market losses incurred by the Company, or alternatively, the applicant may be charged interest together with an administration fee. In advance of shares being allocated and deemed to be in issue, the Company shall account to the subscriber for any subscription monies held by the Company in respect thereof as a permanent debt of the Company and the Company shall be deemed to be a debtor and not a trustee in respect thereof for such subscriber or other person. Where subscription payments are received in advance of the relevant Dealing Day and due to prevailing market conditions, negative interest charges accrue, these may be passed onto the investor.
- (h) Applications within the meaning of sub-paragraph (b)(i) above that are received by or on behalf of the Company on or prior to the Dealing Deadline for a Dealing Day shall be dealt with on that Dealing Day. Such applications as are received after the Dealing Deadline for a Dealing Day shall, unless the Directors shall otherwise agree and provided they are received before the Valuation Point for the relevant Dealing Day, be deemed to have been received by the next Dealing Deadline. If requested, the Directors may, in their absolute discretion, agree to designate additional Dealing Days and Valuation Points for the purchase of shares relating to any Fund which will be open to all Holders.
- (i) Applications for the issue of shares will be irrevocable unless the Directors, or a delegate, otherwise agree.

- (j) Without limiting the generality of the foregoing, the Directors may take either of the following actions or any reasonable additional or ancillary actions as they deem necessary in their absolute discretion to comply with FATCA/CRS (or any other law with a similar purpose): (a) require any member to provide such information or confirmations as necessary from time to time, or (b) share such information with the IRS, the Revenue Commissioners or any other relevant tax or other government authority. Where any Holder has failed to provide such information or confirmations as requested or is in any other respect deemed to be a recalcitrant account-holder for the purposes of FATCA/CRS or is for any other reason deemed not to be compliant with FATCA/CRS or would prejudice the Company's ability to comply with FATCA/CRS, the Company may repurchase and cancel the Holder's shares and/or compel or effect the sale of those shares or take any such other actions as may reasonable be deemed necessary to enable the Company to comply with FATCA/CRS.

2. **Subscription Price**

- (a) During the Initial Offer Period in relation to a Fund the Subscription Price per share of the relevant class shall be the price as determined by the Directors. After the Initial Offer Period, the Subscription Price shall be the Net Asset Value per share of the relevant class.
- (b) Where shares are issued at the Net Asset Value per share, the Subscription Price per share of the relevant class shall be ascertained by:
 - (i) determining that proportion of the Net Asset Value of the relevant Fund which is attributable to the relevant class of shares as at the Valuation Point for the relevant Dealing Day;
 - (ii) where the class of shares is a Hedged Currency Share Class, adding to or deducting from (as the case may be) the sum calculated in accordance with (i) above the costs and gains/losses of any currency hedging transactions effected in respect of that class;
 - (iii) dividing the sum calculated in accordance with paragraph (i) above by the number of shares of the relevant class in issue or deemed to be in issue in the relevant Fund at the Valuation Point for the relevant Dealing Day; and
 - (iv) rounding the resulting amount so determined to a maximum of four decimal places of the unit of the currency in which such share is designated ("**unit**" for such purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency).
- (c) For the purposes of this Clause 3, shares which have been allotted shall be deemed to be in issue from the close of business on the Dealing Day on which they are allotted and shares which have been repurchased shall be deemed to be in issue at the close of business on the Dealing Day of such repurchase.
- (d) Where there are net subscriptions for a Fund on any given Dealing Day, the Directors may, in circumstances as more particularly described in the Prospectus, apply an anti dilution levy (using one of two mechanisms) which would result in either: (i) a swing pricing adjustment to the Net Asset Value per Share at which Shares shall be issued; or (ii) an application of an *anti-dilution adjustment* which would result in a charge being added to the subscription monies calculated as payable by the investor.

3. Allotment of shares for non cash consideration

The Directors may, subject to the provisions of the Companies Act, in their absolute discretion allot shares against the vesting in the Depository on behalf of the Company of any Investments and in connection therewith the following provisions shall apply:-

- (a) the nature of the Investments to be transferred into the relevant Fund would qualify as suitable investments of such Fund in accordance with the investment objective, policies and restrictions of that Fund;
- (b) the number of shares to be allotted shall not be more than that number which would have fallen to be issued for cash on the basis that the amount of such cash was an amount equal to the value as at the relevant Valuation Point for the relevant Dealing Day of the Investments to be vested in the Depository on behalf of the Company, as determined in accordance with paragraph (c) below;
- (c) the Directors may provide that the whole or any part of the Duties and Charges arising in connection with the vesting of the Investments in the Depository on behalf of the Company shall be paid by the Company or by the person to whom the shares are to be issued or partly by the Company and partly by such person;
- (d) the value of the Investments to be vested in the Depository on behalf of the Company shall be determined by the Directors on such basis as they shall decide so long as such value does not exceed the highest amount which would be obtained if the Investments were valued in accordance with Appendix III hereof;
- (e) in the case of the initial issue of shares of any class, the Depository shall determine the number of shares of the relevant class to be allotted against the vesting in the Depository on behalf of the Company of any Investments; and
- (f) prior to the Directors exercising their discretion under this Clause the Depository shall be satisfied that the terms of such allotment will not be such as are likely to result in material prejudice to Holders.

4. Preliminary charge

The Directors may require any person to whom shares of any class are to be allotted to pay to the Company or any of its appointees or as any of them may direct, for its or their absolute use and benefit, a preliminary charge of such amount as may be determined by the Directors but not exceeding 5 per cent of the Subscription Price per Share of the relevant class being allotted. The Directors may on any Dealing Day differentiate between applicants as to the amount of the preliminary charge required to be paid to the Company, or its appointees or as they may direct and as to the amount of preliminary charge to be levied on each class of share (subject to the maximum aforesaid).

5. No shares allotted when calculation of Net Asset Value suspended

The Directors may in their absolute discretion determine that no shares shall be allotted or issued during any period when the determination of the Net Asset Value of the relevant Fund is suspended pursuant to Clause 18 below except those for which applications have previously been received and accepted by the Company or its authorised agent. The Directors will notify investors applying for shares of such suspension at the time of application. Any application for shares which is not withdrawn shall, subject to the provisions of these Articles, be dealt with on the first Dealing Day after the suspension is lifted.

6. **Issue of fractions of shares**

Where payments or other consideration received by or on behalf of the Company in respect of the issue or allotment of shares are not an exact multiple of the Subscription Price for those shares, a fraction of a share may be allotted to the investor who shall be registered as the Holder of such a fraction provided that any holding of shares is a multiple of not less than 1/10,000 part of a share or such other fractional amount as the Directors may determine from time to time. Rights, entitlements and benefits of a Holder of a share under the Articles are granted to a Holder of a fraction of a share in proportion to the fraction of a share held by him and, except where the context otherwise requires or is otherwise provided herein, reference in the Articles to "share" shall include a fraction of a share. The Holder of a fraction of a share may not exercise any voting rights in respect of such share.

7. **Minimum Initial Investment Amount**

The Directors shall decline to issue shares of any class to satisfy any initial application unless the amount in value of the shares to which an application relates equals or exceeds the Minimum Initial Investment Amount or its equivalent in another currency. Thereafter, Holders may make additional subscriptions for shares having a value, at the then current Subscription Price of not less than the Minimum Additional Investment Amount or its equivalent in another currency.

FUNDS

8. **Funds**

- (a) All consideration, other than the preliminary charge (if any) payable to the Company or its appointees or as any of them may determine pursuant to Clause 5 of this Appendix, received by or on behalf of the Company for the allotment or issue of shares of a Fund, or if there is more than one class of shares in a particular Fund, of all such classes, together with all Investments in which such consideration is invested or reinvested, all income, earnings, profits and proceeds thereof shall be segregated and kept separate from all other monies of the Company and such assets and monies shall be referred to as a "Fund" there being one Fund in respect of each class (or all such classes, as the case may be) of shares and to which the following provisions shall apply:
- (i) For each Fund the Company shall keep separate books and records in which all transactions relating to the relevant Fund shall be recorded and, in particular, the proceeds from the allotment and issue of shares of each class in the Fund, the Investments and the liabilities and income and expenditure attributable thereto shall be applied or charged to such Fund subject to the provisions of this Clause 9;
 - (ii) Any Asset derived from any other Asset(s) (whether cash or otherwise) comprised in any Fund shall be applied in the books and records of the Company to the same Fund as the Asset from which it was derived and any increase or diminution in the value of such an Asset shall be applied to the relevant Fund.
 - (iii) In the event that there are any Assets of the Company which the Directors do not consider are attributable to a particular Fund or Funds, the Directors shall, with the approval of the Depositary, allocate such Assets to and among any one or more of the Funds in such manner and on such basis as they, in their discretion, deem fair and equitable; and the Directors shall have the power to and may at any time and from time to time, with the approval of the Depositary, vary the basis in relation to Assets previously allocated.

- (iv) Each Fund shall be charged with the liabilities, expenses, costs, charges or reserves of the Company in respect of or attributable to that Fund and any such liabilities, expenses, costs, charges or reserves of the Company not attributable to any particular Fund or Funds shall be allocated and charged by the Directors, with the approval of the Depositary, in such manner and on such basis as the Directors, in their sole and absolute discretion deem fair and equitable, and the Directors shall have the power to and may at any time and from time to time, with the approval of the Depositary, vary such basis including, where circumstances so permit, the re-allocation of such liabilities, expenses, costs, charges and reserves.
 - (v) In the event that any Asset attributable to a Fund is taken in execution of a liability not attributable to that Fund, the provisions of Section 1406(6) of the Companies Act shall apply.
- (b) Subject as otherwise provided herein, the Assets held in each Fund shall be applied solely in respect of the shares of the class (or classes as the case may be) to which such Fund appertains.

9. Fund exchanges

- (a) Subject to the approval of the Directors, the provisions of the Companies Act, the UCITS Requirements and to these Articles and as hereinafter provided a Holder holding shares in any class in a Fund (the "**first class**") on any Dealing Day shall have the right from time to time to exchange all or any of such shares for shares of another class which are being offered at that time (the "**new class**") (such class being either in the same Fund or in a separate Fund) on the following terms:-
- (i) The Holder shall give to the Company or its authorised agent(s) instructions (hereinafter called an "**Exchange Notice**") in such form as the Directors may from time to time determine.
 - (ii) The exchange of the shares specified in the Exchange Notice pursuant to this Clause 10 shall occur on a Dealing Day for the first class and the new class in respect of Exchange Notices received on or prior to the relevant Dealing Deadline for that Dealing Day (or prior to such other time of day as the Directors may determine either generally or in relation to a particular Fund or in any specific case) by the Company or its authorised agent(s) or on such other Dealing Day as the Directors at the request of the Holder may agree. The Company or its authorised agents may in their discretion accept Exchange Notices received after the Dealing Deadline for the relevant Dealing Day provided the Exchange Notices are received prior to the relevant Valuation Point. A Holder's entitlement to shares as recorded in the Register shall be altered accordingly with effect from that Dealing Day.
- (b) Exchange of the shares of the first class specified in the Exchange Notice shall be effected in the following manner, that is to say:-
- (i) such shares of the first class shall be repurchased by the issue of shares of the new class;
 - (ii) the shares of the new class shall be issued in respect of and in proportion to (or as nearly as may be in proportion to) the holding of the shares of the first class which is being exchanged; and
 - (iii) the proportion in which shares of the new class are to be issued in respect of shares of the first class shall be determined in accordance with paragraph (c) below;

Provided always that the right of a Holder to exchange his shares in the first class for shares in the new class conferred by this Clause 10 shall be conditional upon the Company having sufficient available share capital to enable the exchange to be implemented as aforesaid.

- (c) The Directors shall determine the number of shares of the new class to be issued on exchange in accordance with the following formula:-

$$S = \frac{[R \times (RP \times ER)] - F}{SP}$$

where:-

R is the number of shares of the first class specified in the Exchange Notice which the Holder thereof has requested to be exchanged;

S is the number of shares of the new class to be issued;

RP is the Repurchase Price per share of the first class as calculated as at the relevant Valuation Point for the Dealing Day on which the exchange is to be effected;

ER in the case of an exchange of shares designated in the same currency, is 1. In any other case it is the currency conversion factor determined by the Directors at the Valuation Point for the relevant Dealing Day as representing the effective rate of exchange applicable to the transfer of assets relating to the first and new classes of shares after adjusting such rate as may be necessary to reflect the effective costs of making such transfer;

SP is the Subscription Price per share for the new class as calculated as at the relevant Valuation Point for the Dealing Day on which the exchange is to be effected; and

F is the fee payable (if any) on the exchange of shares (as set out in paragraph (d) below).

AND the number of shares of the new class to be created or issued pursuant to this Clause 10 shall be so created or issued in respect of each of the shares of the first class being exchanged in the proportion (or as nearly as may be in the proportion) S to R where S and R have the meanings ascribed to them above.

- (d) On any exchange of shares pursuant to this Clause 10, the Directors may add to the Subscription Price per share for the shares of the new class to be issued a fee, for payment to the Company or any of its appointees or as any of them may direct out of the Fund relating to the shares of such class, an amount for each share not exceeding 2 per cent of the Repurchase Price per share of shares in the first class to be issued calculated as at the relevant Valuation Point for the Dealing Day on which the exchange is effected.
- (e) Requests for the exchange of shares as an initial investment in a new class will only be made if the value of the shares to be exchanged is equal to or exceeds the Minimum Initial Investment Amount for the new class. The Directors may refuse to give effect to any Exchange Notice if to do so would cause the relevant Holder's holding in the first class to fall below the Minimum Shareholding specified for that class.

- (f) Shares in a class may not be exchanged for shares in another class during any period when the calculation of the Net Asset Value of the relevant Fund or either of the relevant Funds as the case may be is suspended by reason of a declaration by the Directors pursuant to Clause 18 hereof. Applicants will be notified of such suspension at the time of application and any request for the exchange of shares not withdrawn shall, subject to the provisions of these Articles, be dealt with on the first Dealing Day after such suspension is lifted.
- (g) The Directors may, at their discretion following consultation with the Manager, refuse to effect an exchange request without giving any reason for such refusal. In addition, restrictions may apply on making exchanges between certain share classes as may be set out in the relevant Supplement(s).

10. Termination of Funds

- (a) Any Fund may be terminated by the Directors, in their sole and absolute discretion, by notice in writing to the Depository in any of the following events:-
- (i) if at any time the Net Asset Value of the relevant Fund shall be less than such amount as may be determined by the Directors in respect of that Fund; or
 - (ii) if any Fund shall cease to be authorised or otherwise officially approved; or
 - (iii) if any law shall be passed which renders it illegal or in the opinion of the Directors impracticable or inadvisable to continue the relevant Fund; or
 - (iv) if there is a change in material aspects of the business, or in the economic or political situation relating to a Fund that the Directors consider would have material adverse consequences on the Investments of the Fund; or
 - (v) if the Directors or their delegate have resolved that it is impracticable or inadvisable for a Fund to continue to operate having regard to prevailing market conditions and the best interests of the shareholders.

The decision of the Directors in any of the events specified herein shall be final and binding on all the parties concerned but the Directors shall be under no liability on account of any failure to terminate the relevant Fund pursuant to this Clause 11 or otherwise.

- (b) The Directors shall give notice of termination of a Fund to the Holders of shares in the relevant Fund and by such notice fix the date at which such termination is to take effect, which date shall be for such period after the service of such notice as the Directors shall in their sole and absolute discretion determine.
- (c) With effect on and from the date as at which any Fund is to terminate or in the case of (i) below such other date as the Directors may determine:-
- (i) No shares of the relevant Fund may be issued or sold by the Company;
 - (ii) The investment manager shall, on the instructions of the Directors, realise all the Assets then comprised in the relevant Fund (which realisation shall be carried out and completed in such manner and within such period after the termination of the relevant Fund as the Directors think advisable);
 - (iii) The Depository shall, on the instructions of the Directors from time to time, distribute to the Holders of shares of the relevant Fund in proportion to their respective interests in the relevant Fund all net cash proceeds derived from the realisation of the relevant Fund and available for the purpose of such distribution, provided that the Depository shall not be bound (except in the case of the final distribution) to distribute any of the monies for the time being in its hands the amount of which is insufficient to pay Euro 1 or its equivalent amount in the relevant currency in respect of each share of the relevant Fund and provided also that the Depository shall be entitled to retain out of any monies in its hands as part of the relevant Fund full provision for all costs, charges, expenses, claims and demands incurred, made or apprehended by the Depository or the Directors in connection with or arising out of the termination of the relevant Fund and out of the monies so retained to be indemnified and saved harmless against any such costs, charges, expenses, claims and demands; and

- (iv) Every such distribution referred to above shall be made in such manner as the Directors shall, in their sole and absolute discretion, determine but shall be made only against production of the certificates relating to the shares of the relevant Fund if issued in respect of which the same is made and upon delivery to the Depositary of such form of request for payment as the Depositary shall in its absolute discretion require. All certificates shall in the case of an interim distribution be enfaced by the Depositary with a memorandum of payments made and in the case of the final distribution shall be surrendered to the Depositary. Any unclaimed proceeds or other cash held by the Depositary hereunder may at the expiration of twelve months from the date upon which the same were payable be paid into court subject to the right of the Depositary to deduct therefrom any expenses it may incur in making such payment or be paid in accordance with the provisions of Article 105.
- (d) The Directors shall have the power to propose and implement a reconstruction and/or amalgamation of the Company or any Fund or Funds on such terms and conditions as are approved by the Directors subject to the following conditions namely:
 - (i) that the prior approval of the Central Bank has been obtained; and
 - (ii) that the Holders of shares in the relevant Fund or Funds have been circulated with particulars of the scheme of reconstruction and/or amalgamation in a form approved by the Directors and a special resolution of the Holders of shares in the relevant Fund or Funds has been passed approving the said scheme.

The relevant scheme of reconstruction and/or amalgamation shall take effect upon such conditions being satisfied or upon such later date as the scheme may provide or as the Directors may determine whereupon the terms of such scheme shall be binding upon all the Holders and the Directors shall have the power to and shall do all such acts and things as may be necessary for the implementation thereof.

RIGHT OF REPURCHASE

12 Holders' right to request a repurchase of shares

As the Company is an open-ended investment company, Holders shall have the right to request the Company to repurchase their shares in accordance with the provisions of Clause 13 below.

13 Repurchase mechanism

- (a) Subject to the provisions of the Companies Act, the UCITS Requirements and these Articles and subject as hereinafter provided the Company shall, on receipt by it or its authorised agent(s) of a request (which request may, at the Directors' discretion, either generally or in relation to any specific request, be made in writing, by facsimile, by telex or by telephone (in accordance with the procedure set out in the Prospectus) or in such other form as the Directors may, from time to time, determine) by a Holder of shares ("**the Applicant**"), repurchase all or any portion of the shares held by the Applicant at the Repurchase Price, determined in accordance with Clause 14 hereof, or procure the purchase thereof at not less than the Repurchase Price on the relevant Dealing Day. Such request to repurchase must be accompanied by the duly endorsed certificate or certificates (if any) issued for the shares to which it relates.

PROVIDED THAT:-

- (i) The repurchase of shares pursuant to this Clause 13 shall be made on a Dealing Day in respect of requests received by the Company or its authorised agent on or prior to the Dealing Deadline for that Dealing Day.
 - (ii) Any such request received after the Dealing Deadline for a Dealing Day shall, unless the Directors shall otherwise agree and provided they are received before the relevant Valuation Point, be treated as having been received by the following Dealing Deadline.
 - (iii) If the determination of the Net Asset Value of the relevant Fund is suspended on any Dealing Day by reason of a declaration by the Directors pursuant to Clause 18 hereof, an Applicant may withdraw his request to have his shares repurchased pursuant to this Clause 13. If the request is not so withdrawn the Company shall be at liberty to repurchase the shares on the Dealing Day next following the end of the suspension.
 - (iv) Subject as aforesaid and to the discretion of the Directors, an Applicant shall not be entitled to withdraw a request duly made in accordance with this Clause 13.
 - (v) The Company may retain a sufficient portion of the amount payable to the Applicant in respect of the repurchase to pay any taxation payable to the Revenue Commissioners in Ireland in respect of the repurchase of the shares.
 - (vi) Any amount payable to the Applicant in connection with the repurchase of shares shall, at the risk and cost of the Applicant, be paid in the same currency as that in which the shares are designated or in such other currency as the Directors shall determine. Any such amount may, at the option of the Directors, (but at the risk and cost of the Applicant) be remitted by or on behalf of the Company by electronic or telegraphic transfer to the bank account specified by the Applicant not later than the relevant Settlement Date. In all other instances any such amount shall be sent by post in the form of a negotiable instrument at the Applicant's risk by or on behalf of the Company to the Applicant not later than the relevant Settlement Date. If the amount to be paid by the Company as aforesaid shall not be expressed in the currency in which the shares which the Company has repurchased were designated then the rate of exchange between that currency and the currency agreed for payment shall be such rate as the Directors shall consider appropriate. The cost of conversion (if any) shall be debited from the converted payment. The certificate of the Directors as to the conversion rate applicable and as to the cost of conversion shall be conclusive and binding on all persons.
 - (vii) Subject to written instructions from the Applicant to the Company (or its authorised agent) directing otherwise, which the Company (or its authorised agent) may require to be verified or otherwise supported by additional documentation, the Company (or its authorised agent) shall pay the proceeds of repurchase to the Applicant.
 - (viii) If requested, the Directors may, in their absolute discretion, agree to designate additional Dealing Days and Valuation Points for the repurchase of shares relating to any Fund which will be open to all Holders.
- (b) The repurchase of shares under the provisions of this Clause 13 shall be deemed to be effected immediately after the Valuation Point for the relevant Dealing Day. Shares repurchased in accordance with the provisions of this Clause 13 shall be

deemed to cease to be in issue at the close of business on the Dealing Day on which they are repurchased.

- (c) Upon the repurchase of a share being effected, the Applicant shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a dividend which has been declared in respect thereof prior to such repurchase being effected) and accordingly his name shall be removed from the Register with respect thereto and the shares shall be treated as cancelled and the amount of issued share capital in respect of such class of shares shall be reduced accordingly.

14 Repurchase price of shares

- (a) The Repurchase Price per share of the relevant class shall be an amount as determined by the Directors on the relevant Dealing Day referred to in Clause 13(a)(i) above by:
 - (i) determining that proportion of the Net Asset Value of the relevant Fund which is attributable to the relevant class of shares as at the Valuation Point for the relevant Dealing Day;
 - (ii) where the class of share is a Hedged Currency Share Class, adding to or deducting from (as the case may be) the sum calculated in accordance with (i) above the costs and gains/losses of any currency hedging transactions effected in respect of that class;
 - (iii) dividing the sum calculated in accordance with paragraph (i) above by the number of shares of the relevant class in issue or deemed to be in issue in the relevant Fund at the Valuation Point for the relevant Dealing Day; and
 - (iv) rounding the amount so determined to a maximum of four decimal places of the unit of the currency of the shares ("unit" for such purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency).
- (b) The Directors may on any Dealing Day require an Applicant to pay to the Company or any of its appointees or as any of them may direct, for its or their absolute use and benefit, a repurchase charge of not more than 2 per cent of the Repurchase Price per share of the relevant class being repurchased on that Dealing Day. The amount of any such charge may be deducted from the amount to be paid by the Company to the Applicant in respect of the shares to be repurchased. The Directors may on any Dealing Day differentiate between Applicants as to the amount of the repurchase charge required to be paid to the Company, or its appointees or as they may direct and as to the amount of repurchase charge to be levied on each class of share (subject to the maximum aforesaid).
- (c) The Company shall not increase the repurchase charge relating to the redemption or repurchase of shares without prior approval of the relevant Holders given on the basis of a simple majority of votes cast in a general meeting or with the prior written approval of all Holders of the relevant class or such other majority as is specified in this Instrument of Incorporation. In the event of an increase in the repurchase charge a reasonable notification period must be provided by the Company to enable such Holders to redeem their shares prior to the implementation of the increase.
- (d) Such portion of the Repurchase Price of any shares repurchased on a Dealing Day (except a Dealing Day which is a record day for the declaration of a dividend) as the Directors in their absolute discretion consider appropriate shall be deemed to be a distribution to the relevant Applicant of the proportion of the undistributed net revenue

accrued to the relevant Fund up to such Dealing Day attributable to the shares in respect of which such Repurchase Price is payable.

- (e) Where any tax is payable to the Irish tax authorities in respect of a repurchase of Shares by a Holder who is or is deemed to be an Irish Resident or is acting on behalf of such a person, the Repurchase Price shall be reduced by an amount equal to such tax which shall be paid by or on behalf of the Company to the authorities.
- (f) Where there are net redemptions for a Fund on any given Dealing Day, the Directors may, in circumstances as more particularly described in the Prospectus, apply an anti-dilution levy (using one of two mechanisms) which would result in either: (i) a swing pricing adjustment to the Net Asset Value per Share at which Shares shall be redeemed; or (ii) an application of an *anti-dilution adjustment* which would result in an amount being deducted from the redemption monies payable to the investor and retained by the Fund.
- (g) In the event of a repurchase of shares (including in connection with any complete repurchase of shares by a Holder), where the amount paid to such Holder or former Holder pursuant to such repurchase is incorrect (including because the Net Asset Value at which the Holder or former Holder repurchased such shares was incorrect), the Company may, where determined by the Directors in their sole discretion, pay to such Holder or former Holder any additional amount that the Directors determine such Holder or former Holder would have been entitled to receive had the repurchase been effected at the correct Net Asset Value, or, may where determined by the Directors, in the Directors' sole discretion, seek payment from such Holder or former Holder of (and such Holder or former Holder shall be liable to immediately repay) the amount of any excess payment that the Directors determine such Holder or former Holder received, in each case without interest.

15 Limitations on repurchase

- (a) In circumstances where repurchase requests on any Dealing Day are for more than ten per cent of the Net Asset Value of shares of any Fund in issue at the Valuation Point for that Dealing Day, the Company shall be at liberty to scale down the number of shares to be repurchased in response to each request pro rata to such extent as may be necessary to ensure that the foregoing limit is not exceeded and may carry forward for repurchase to the next following Dealing Day the balance of each request and so on to each succeeding Dealing Day until each request has been dealt with in full, **PROVIDED THAT** requests for repurchase that have been carried forward from an earlier Dealing Day shall (subject always to the foregoing limits) be dealt with pro rata to later requests.
- (b)
 - (i) If in respect of any Applicant the repurchase monies in respect of shares held by him of any Fund to be repurchased on any Dealing Day amount to more than five per cent of the Net Asset Value of such Fund at the Valuation Point for such Dealing Day, the Company shall have the power to divide in specie the whole or any part of the Assets of the relevant Fund and shall have the right to elect by notice in writing to the Applicant (such notice to be sent by the Company to the Applicant within three Business Days of the relevant Dealing Day and in any event before the relevant Settlement Date) to appropriate and transfer Assets to him in full or part satisfaction of the Repurchase Price or any part of the said Repurchase Price (provided that such a distribution would not be prejudicial to the interests of the remaining Holders in such Fund or class and subject to the approval of the Depositary as to the allocation of Assets).

- (ii) Where a notice of election is served under sub-paragraph (b)(i) of this Clause 15 on an Applicant, the Applicant may by a further notice served on the Company (such notice to be received by the Company within three Business Days of the deemed receipt by the Applicant of the notice of election served under sub-paragraph (b)(i) of this Clause 15) require the Company instead of transferring the Assets in question to arrange:-
 - 1. for a sale of the Assets; and
 - 2. for payment to the Applicant of the net proceeds of sale.
- (iii) Where there is a transfer of Assets pursuant to paragraph (b)(i) above, the Depositary shall transfer to the Applicant his proportionate share of the Assets of the relevant Fund. For the purposes of this paragraph "**proportionate share**" means such part of each type of Asset in the relevant Fund as is proportionate to or as nearly as practicable proportionate to the Applicant's share or such selection from the Assets of the relevant Fund as the Directors shall, following consultation with the Depositary, decide is reasonable having regard to the need to be fair both to the Applicant and continuing Holders of shares in the relevant Fund.
- (iv) Where there is to be a sale of Assets under sub-paragraph (b)(ii) above:-
 - 1. the Company shall forthwith notify the Depositary of that fact and shall arrange for the sale of the Assets that would have been transferred under sub-paragraph (b)(i) above (other than Assets which are in cash in the relevant currency for the purposes of the repurchase); and
 - 2. the Depositary shall on receipt of such evidence of title as it may require pay to the Applicant the net proceeds of the sale and any relevant amounts in cash.
- (c) If any request to the Company to repurchase shares of any class shall reduce the number of shares of the relevant class held by the Applicant below the Minimum Shareholding such request may be treated by the Directors as a request to repurchase the Applicant's entire holding. The foregoing shall not prevent a repurchase of the whole of a holding of shares of any class less than the Minimum Shareholding nor shall this paragraph apply in circumstances where as a result of the Company exercising its rights to scale down any repurchase requests, in accordance with paragraph (a) above, a Holder's holding of shares is reduced below the Minimum Shareholding.
- (d) If any repurchase requests received by the Directors would necessitate, in the opinion of the Directors, the breaking of deposits at a penalty or the realisation of Investments at a discount below their value, as calculated in accordance with Appendix III, the Repurchase Price in respect of the relevant shares may be reduced by a proportionate part of such reduction in value or penalty which will be suffered by the relevant Fund in such manner as the Directors may consider fair and equitable and which is approved by the Depositary. Alternatively, the Directors may arrange for the Company to borrow funds in accordance with Article 64 subject always to any borrowing restrictions in force in relation to the Company or the relevant Fund, and the costs of such borrowings may be apportioned as aforesaid to such extent as the Directors may consider fair and equitable.
- (e) The Company will not be permitted to repurchase shares if, after payment of any amount in connection with such repurchase, the Net Asset Value of the issued share capital of the Company would be equal to or less than Euro2 or the foreign currency equivalent thereof. The foregoing shall not apply to a repurchase request permitted

by the Directors in contemplation of the dissolution of the Company in accordance with the Companies Act.

- (f) The Company may compulsorily repurchase all of the shares of any Fund if the Net Asset Value of the relevant Fund is less than the Minimum Fund size.

- (c) If the transferor is, or is deemed to be, or is acting on behalf of a Irish Resident, the Company is entitled to redeem and cancel a sufficient portion of the transferor's Shares as will enable the Company to pay the tax payable in respect of the transfer to the Revenue Commissioners in Ireland.
- (d) The Directors may decline to recognise any instrument of transfer unless it is accompanied by the certificate for the Shares to which it relates (if issued), is in respect of one Share Class only, is in favour of not more than four transferees and is lodged at the registered office or at such other place as the Directors may appoint.
- (e) The Directors shall, unless any Director has reason to believe otherwise, be entitled to assume without enquiry that none of the shares are held in such a way as to entitle the Directors to give a notice in respect thereof pursuant to paragraph (c) below. The Directors may, however, upon an application for shares or at any other time and from time to time require such evidence and/or undertakings to be furnished to them in connection with the matters stated in paragraph (a) above as they shall in their discretion deem sufficient or as they may require for the purpose of any restriction imposed pursuant thereto or for compliance with any anti-money laundering provisions applicable to the Company. In the event of such evidence and/or undertakings not being so provided within such reasonable period (not being less than 21 days after service of notice requiring the same) as may be specified by the Directors in the said notice, the Directors may, in their absolute discretion, treat any shares held by such a Holder or joint Holder as being held in such a way as to entitle them to serve a notice in respect thereof pursuant to paragraph (c) below.
- (f) If it shall come to the notice of the Directors that any shares are or may be owned or held directly or beneficially by any person who is not a **Permitted Investor** (the "**relevant shares**"), the Directors may give notice to the person in whose name the relevant shares are registered requiring him to transfer (and/or procure the disposal of interests in) the relevant shares to a person who is in the opinion of the Directors a **Permitted Investor**. If any person upon whom such a notice is served pursuant to this paragraph does not within 21 days after the giving of such notice (or such extended time as the Directors in their absolute discretion shall consider reasonable) transfer the relevant shares to a **Permitted Investor**, or establish to the satisfaction of the Directors (whose judgement shall be final and binding) that he is not subject to such restrictions, the Directors may in their absolute discretion upon the expiration of such 21 days either arrange the transfer of all the relevant shares to a **Permitted**

Investor in accordance with paragraph (e) below or arrange for the relevant shares to be repurchased by the Company at the relevant Repurchase Price. The Holder of the relevant shares shall be bound forthwith to deliver his certificate (if any) to the Directors and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the transfer or repurchase, as the case may be, of the relevant shares by the Company.

Any payment received by the Company for the relevant shares so transferred shall be paid to the person whose shares have been so transferred subject to paragraph (f) below.
- (i) Payment of any amount due to such person pursuant to paragraphs (c), (d) or (e) above shall be subject to any requisite exchange control consents first having been obtained and the Company not being in breach of any other law or regulation. The amount due to such person will be deposited by the Company in a bank for payment to such person upon such consents being obtained and against surrender of the certificate, if any, representing the relevant shares previously held by such person. Upon deposit of such amount as aforesaid such person shall have no further interest in such relevant shares or any of them or any claim against the Company in respect thereof except the right to receive such amount so deposited (without interest) upon such consents as aforesaid being obtained.
- (j) The Directors shall not be required to give any reasons for any decision, determination or declaration taken or made in accordance with this Clause 20. The exercise of the powers conferred by this Clause 20 shall not be questioned or invalidated in any case on the grounds that there was insufficient evidence of direct or beneficial ownership of shares by any person or that the true, direct or beneficial owner of any shares was otherwise than appeared to the Directors at the relevant date provided that the powers shall be exercised in good faith.
- (k) Notwithstanding any other provisions of these Articles, where the Company is required to pay tax on the transfer by a Holder who is or is deemed to be an Irish Resident of its shareholding or part thereof or on the occurrence of a chargeable event as defined in section 739(B) of the TCA, the Company shall be entitled to repurchase and cancel a sufficient portion of such Shares and to appropriate the proceeds thereof as is necessary to discharge the amount of taxation payable in respect of the transfer of the relevant chargeable event.

Any amount payable to the manager on foot of such

request for cancellation shall be payable not later than the relevant Settlement Date. The right of the manager to require cancellation of any share shall be suspended during any period when the right of holders of shares to require the repurchase of those shares is suspended pursuant to these Articles.

APPENDIX III

1 Determination of Net Asset Value

- (a) The Net Asset Value of any Fund (i.e. the value of the assets of a Fund having deducted the liabilities of that Fund therefrom) or any share shall be expressed in the currency in which the Fund or the shares are designated or in such other currency as the Directors may determine, from time to time, and shall be determined, in accordance with the valuation rules set out hereafter.
- (b) For the purposes of such valuation, Assets of the Company, shall be determined to include but are not limited to:-
 - (i) all cash in hand, on deposit, or on call including any interest accrued thereon as at the relevant Valuation Point and all accounts receivable, (ii) all bills, demand notes, certificates of deposit, and promissory notes, (iii) all bonds, shares, stock, securities, obligations, debentures, debenture stock, forward rate agreements, subscription rights, warrants, promissory notes, futures contracts, options, commodities, asset backed securities, mortgage backed securities, swap contracts, contracts for differences, fixed rate securities, variable and floating rate securities, securities in respect of which the return and/or repurchase amount is calculated by reference to any index, price or rate, monetary and financial instruments of all kinds, (iv) all stock and cash dividends and cash distributions to be received by the Company and not yet received by it but declared to stockholders of record on a date on or before the relevant Valuation Point as at which the Net Asset Value is determined, (v) all interest accrued on or before the relevant Valuation Point on any interest-bearing securities owned by the Company except to the extent that the same is included or reflected in, the principal value of such security, (vi) all other Investments of the Company, (vii) the preliminary expenses incurred in establishing the Company which are payable by the Company and which may include the cost of issuing, distributing, marketing and promoting shares of the Company insofar as the same have not been written off and (viii) all other Assets of the Company of every kind and nature including prepaid expenses as valued and defined from time to time by the Directors.
- (c) The Directors shall be entitled to determine in relation to any preliminary costs, charges, fees and expenses that the same may be amortised over such period as they think fit.
- (d)
 - (i) Where any Investment owned or contracted for by the Company is quoted, listed or dealt in on a Market the value thereof shall be the last traded price as at the relevant Valuation Point. Where such Investment is quoted, listed or traded on or under the rules of more than one Market, the Directors shall, in their absolute discretion, select the Market, which in their opinion, constitutes the main Market for such investment for the foregoing purposes. Assets listed or traded on a recognised Market, but acquired or traded at a premium or at a discount outside or off the relevant Market may be valued taking into account the level of premium or discount at the Valuation Point provided that the Depositary shall be satisfied that the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the security.
 - (ii) The value of any Investment which is not quoted listed or traded in on a Market or of any Investment which is normally quoted, listed or traded in on a Market but in respect of which no price is currently available or the current price of which does not in the opinion of the Directors, represent fair market

value, the value thereof shall be the probable realisation value estimated with care and in good faith by the Directors or by a competent person appointed by the Directors, in each case approved, for such purpose, by the Depositary or by any other means provided that the value is approved by the Depositary.

In determining the probable realisation value of any such Investment, the Directors may accept a certified valuation thereof provided by a competent independent person or in the absence of any independent person, the investment manager/adviser (notwithstanding that a conflict of interests arises because the investment manager/adviser has an interest in the valuation), who in each case shall have been approved by the Depositary to value the relevant securities. Where reliable market quotations are not available for fixed income securities, the value of such securities may be determined using matrix methodology compiled by the Directors or competent person whereby such securities are valued by reference to the valuation of other securities which are comparable in rating, yield, due date and other characteristics.

- (iii) Cash and other liquid assets will be valued at their face value with interest accrued, where applicable unless in any case the Directors are of the opinion that the same is unlikely to be paid or received in full in which case the value thereof shall be arrived at after making such discount as the Directors may consider appropriate in such case to reflect the true value thereof as at the relevant Valuation Point.
 - (iv) Certificates of deposit, treasury bills, bank acceptances, trade bills and other negotiable instruments shall each be valued at each Valuation Point at the latest available middle market dealing price on the Market on which these assets are traded or admitted for trading (being the Market which is the sole market or in the opinion of the Directors the principal market on which the assets in question are quoted or dealt in) plus any interest accrued thereon from the date on which same were acquired.
 - (v) Forward foreign exchange contracts which are dealt in on a Market shall be valued at the last traded price as at the relevant Valuation Point provided that if such price is not available, the value of any such forward foreign exchange contracts shall be the settlement price provided by the counterparty to such contracts at the Valuation Point and shall be valued at least daily. The valuation will be verified at least weekly by a party independent of the counterparty, who has been approved for such purpose by the Depositary.
 - (vi) The value of any off-exchange traded derivative contracts shall be the quotation from the counterparty to such contracts at the Valuation Point and shall be valued daily. The valuation will be approved or verified at least weekly by a party independent of the counterparty who has been approved for such purpose by the Depositary.
- (e) Notwithstanding the foregoing:
- (i) The Directors or their delegate may at their discretion, in relation to any particular Fund that is a money market fund, value any investment using the amortised cost method of valuation, where such Fund complies with the Central Bank's requirements for money market funds and where a review of the amortised cost valuation vis-à-vis market valuation will be carried out in accordance with the Central Bank's guidelines.
 - (ii) The Directors or their delegate may at their discretion, in relation to any particular Fund that is not a money market fund but that invests in money market instruments, value any investment on the basis of the amortised cost

method, provided that each such security being valued using the amortised cost basis of valuation shall be carried out in accordance with the Central Bank's requirements.

- (f) The value of any exchange traded futures contracts, share price index futures contracts and options and other derivative contracts shall be the settlement price, as determined by the Market in question, as at the relevant Valuation Point, provided that where it is not the practice for the relevant Market to quote a settlement price or such settlement price is not available for any reason as at the relevant Valuation Point, such value shall be the probable realisation value thereof estimated with care and in good faith by the Directors or another competent person appointed by the Directors provided that the Directors or such other competent person have been approved for the purpose by the Depositary or by any other means provided that the value is approved by the Depositary.
 - (i) The value of units or shares or other similar participation in any collective investment scheme, which provides for the units or shares or other similar participations therein to be redeemed at the option of the holder out of the assets of that undertaking, shall be the last available net asset value per unit or share or other similar participation after deduction of any repurchase charge as at the relevant Valuation Point or if bid and offer prices are published, the latest available bid price.
 - (ii) If in any case a particular value is not ascertainable as provided above or if the Directors shall consider that some other method of valuation better reflects the fair value of the relevant Investment, then in such case the method of valuation of the relevant Investment shall be such as the Directors in their absolute discretion shall determine, such method of valuation to be approved by the Depositary.
 - (iii) Notwithstanding the generality of the foregoing, the Directors may with the approval of the Depositary adjust the value of any such security if having regard to currency, applicable rate of interest, anticipated rate of dividend, maturity, marketability, liquidity and/or such other considerations as they may deem relevant, they consider that such adjustment is required to reflect the fair value thereof as at the relevant Valuation Point
 - (iv) Any value expressed otherwise than in the base currency of the relevant Fund (whether of any investment or cash) and any non-base currency borrowing shall be converted into the base currency at the rate (whether official or otherwise) which the Depositary shall determine to be appropriate in the circumstances.
- (g) Notwithstanding the foregoing, where at any Valuation Point any Asset of the Company has been realised or contracted to be realised there shall be included in the Assets of the Company in place of such Asset the net amount receivable by the Company in respect thereof, provided that if such amount is not then known exactly then its value shall be the net amount estimated by the Directors as receivable by the Company. If the net amount receivable is not payable until some future time after the Valuation Point in question the Directors shall make such allowance as they consider appropriate to reflect the true current value thereof as at the relevant Valuation Point.
- (h) For the purposes of this Appendix:-
 - (i) monies payable to the Company in respect of the allotment of shares shall be deemed to be an Asset of the Company as of the time at which such shares are deemed to be in issue in accordance with Clause 3(c) of Appendix II;

- (ii) monies payable by the Company as a result of the cancellation of allotments or on the compulsory repurchase or transfer of shares or on repurchase of shares shall be deemed to be a liability of the Company from the time at which such shares are deemed to cease to be in issue in accordance with Clause 3(c) or Clause 13(c) of Appendix II.
- (iii) monies due to be transferred as a result of an exchange of shares to another pursuant to an exchange notice shall be deemed to be a liability of the first class and an Asset of the new class immediately after the Valuation Point for the Dealing Day on which the Exchange Notice is received or deemed to be received in accordance with Clause 10 of Appendix II.
- (i) Where the current price of an Investment is quoted "ex" any dividend (including stock dividend), interest or other rights to which the relevant Fund is entitled but such dividend, interest or the property to which such rights relate has not been received and is not taken into account under any other provisions of this Appendix III, the amount of such dividend, interest, property or cash shall be treated as an Asset of the relevant Fund.
- (j) For the purposes of ascertaining or obtaining any price, quotation, rate or other value referred to in this Appendix III for use in determining the value of any Asset, the Directors shall be entitled to use the services of any recognised information or pricing service.
- (k) Any valuations made pursuant hereto shall be binding on all persons.
- (l) The liabilities of the Company and where the context so admits or requires any Fund shall be deemed without limitation to include:-
 - (i) the costs of dealing in the Assets of the Company;
