If you are subject to UK taxation (unless you are a non-domiciled individual paying tax on the remittance basis), you will be required to pay tax on the share of income reported to you in this notice. If you are uncertain you should seek advice from your tax advisor.

The amounts reported are treated as arising throughout the year and should be shown as such in your tax return.

If you held your units for less than the full period, you should pro rate these figures accordingly based on your actual holding period.

As the tax basis for different investors varies, the report is split into those amounts which should be considered by individual investors and those amounts which should be considered by corporate investors.
