Northern Trust Europe Value ESG FGR Feeder Fund (the "Fund") Unit Class A EUR Distributing A sub-fund of Northern Trust UCITS FGR Fund ("FGR")

ISIN: NL0011225289

Management Company: Northern Trust Fund Managers (Ireland) Limited (the "Manager")

OBJECTIVES AND INVESTMENT POLICY

The Fund is a UCITS feeder fund. The Fund's investment objective is to invest at least 85% of its assets in the Northern Trust Europe Value ESG Fund (the "Master Fund") a Sub-Fund of the Northern Trust UCITS Common Contractual Fund, the investment objective of which is to deliver long-term capital growth by investing in securities issued or linked to companies within the MSCI Europe Index which exhibit value, quality and momentum factors excluding securities that do not meet certain environmental, social and governance ("ESG") criteria.

The Fund may invest up to 15% of net assets in aggregate in ancillary liquid assets including cash deposits, cash equivalents, certificates of deposits and Money Market Instruments which may be held by the Fund to meet expenses or pending investment.

The Master Fund is managed in reference to the Index where the majority of the securities will be components of the Index however the Fund will have different weightings to the Index.

The Master Fund invests in equities and equity related securities (that is, shares and other similar kinds of assets) issued by companies or linked to companies in the Index. The Investment Manager may use its discretion to invest in securities not included in the Index in order to take advantage of specific investment opportunities.

The investment returns of the Fund are expected to be similar to those of the Master Fund.

Target Market: This Fund is appropriate for investors who plan to invest over the medium to long term; and are looking for an actively managed investment in the relevant market(s) with ESG principles implemented according to a defined set of exclusions as well as assessment of ESG ratings.

Recommendation: This fund may not be appropriate for investors who plan to withdraw their money within 5 years.

This Fund may be appropriate for investors who can benefit from the tax status of the FGR fund range.

The Master Fund will exclude securities that do not meet certain ESG criteria and companies that are in breach of the UN's Global Compact Ten Principles, ESG criteria selected by the Investment Manager. For further details on the UN Global Compact principles, please refer to www.unglobalcompact.org/AboutTheGC/TheTenPrinciples/index.html. For further details on ESG screenings please refer to the Fund Supplement.

The Manager considers that the Fund meets the criteria in Article 8 of the Sustainable Finance Disclosure Regulation (Regulation EU/2019/2088) to qualify as a financial product that promotes, among other characteristics, environmental or social characteristics. More information on this products sustainability factors can be found in the Supplement and on our website at www.fgrinvesting.com/en/sustainable-investing-regulation/.

The Fund may invest in derivatives (currency forwards and exchange traded futures) for hedging purposes only. The Master Fund, for efficient portfolio management may invest in derivatives and other financially linked instruments (such as currency forwards and exchange traded futures) to reduce risk, minimise costs or generate additional capital or income. A derivative is a financial contract whose value is derived from other assets.

Income gains on your units can either be distributed or re-invested annually at your request.

You can buy or sell units daily (on each business day of the Fund). An application must be received by the Fund's administrator before 11.00am (Dutch time) on the relevant dealing day.

The A, C, E, G, I, K, M, O, Q, S, U, W and Y Classes of Units are issued to Investors which are subject to income tax. If investments are made by way of nominated accounts, it is possible that any of these Classes of Units are also issued to Investors which are exempt from income tax or entitled to a full refund of Dutch dividend withholding tax.
