

**IMPORTANT TAX INFORMATION**  
**QUALIFIED INTEREST INCOME (QII) DIVIDEND REPORT**  
**TAX YEAR 2019**

The American Jobs Creation Act allows a Regulated Investment Company (RIC) to designate interest related dividends and qualified short-term capital gains that are exempt from U.S. withholding taxes for foreign investors, not considered a U.S. person, for tax years after December 31, 2004. The Protecting Americans from Tax Hikes Act of 2015 (the PATH Act) makes permanent the section 871(k) flow-through provisions, which provide more equitable U.S. withholding tax treatment for distributions of interest and short-term capital gains to foreign shareholders.

The following table lists the percentage of qualified interest income and short-term capital gains for the Northern and Northern Institutional Money Market Funds for the month of **December 31, 2019**:
